IOBC BEERS ON TAP

DRAUGHT MIDDY 6 PINT 10 JUG 19

Full flavoured, full strength draught beer with a difference. Fermented cold, free from sugars, preservatives and extracts, brewed with 100% Australian malt and 100% Natural Australian hops.

STREET BEER MIDDY 6 PINT 11.5 JUG 22

A modern Australian take on the Vietnamese Bia Hoi. 100% Australian hops provide pineapple and passionfruit aromas, balanced by a delicate, refreshing malt character.

EXPORT LAGER MIDDY 7.5 PINT 13 JUG 25

Why reinvent the wheel? This is a classic German-style lager and proud of it! You will love the subtle spicy and herbal hop bitterness, mixed with a clean and easy-going malt flavour.

PALE ALE MIDDY 7.5 PINT 13 JUG 25

The Indi's Pale Ale is the Brewery's favourite beer. Golden in colour, the ale incorporates a generous hop aroma and a bold, balanced bitterness. This is an award-winning brew that craft beer drinkers love.

SUNDOWNER CIDER MIDDY 7.5 PINT 13 JUG 25

Freshly pressed local apples. Apples grow seasonally, which means our thirst quenching cider changes from season to season. Expect subtle variation and ask the bar staff for a spiel about the current batch of cider.

NITRO STOUT MIDDY 8 PINT 14 JUG 27

A thick, rich stout, warming your taste buds with notes of chocolate, coffee and dark fruits. Using classic British malts for a traditional experience and served on nitrogen for an extra creamy full mouthfeel.

FRUITULUS LUPULUS MIDDY 8 PINT 14.5 JUG 28

Brewed with an unwholesome amount of hops added to the ferment and dry hop, resulting in a beer bursting with hop aroma and flavour. Fruitulus Lupulus finishes with the lightest of bitterness, allowing all the stone fruit, orange and mango juice character to sit front and centre.

SPICY BOI MIDDY 9 PINT 16 JUG 32

Our refreshing Ginger Beer is a well-rounded mid strength offering. It's got plenty of ginger spice, mild sweetness and a zesty clean finish.
